May 2019

Good Day Senior parents,

Greetings and Congratulations. The reason for this letter is to outline and introduce you to our end of the year Senior activities. It's a great time for everybody and hopefully this letter can eliminate some stress so that everyone can enjoy a great Senior Week.

Enclosed, please find a handout with all important dates, including graduation rehearsal dates as well as prom and senior banquets, (we have multiple senior banquets this year such as the Athletic Banquet as well as a Senior Awards Banquet.) My expectation and the expectation of the school is for all seniors to attend all banquet activities they are involved in. Meaning, all senior athletes need to attend the Senior Athletic Banquet, as well as all students attend the Senior Awards Banquet and all students should attend the prom. It's a great week for our kids as they prepare to move on from Narragansett High School and a great week for the town of Narragansett as we welcome new adults into our community.

Remember, we all need to keep our kids safe so please be thoughtful and reflective of the graduation parties that you may be hosting. Call the high school (792-9400) with any questions or concerns you may have. I look forward to seeing everyone over the next few weeks. Take care and be well.

Sincerely,

Daniel F. Warner  
Principal  
Narragansett High School
