

APUSH SUMMER READING : SUMMER 2020

WELCOME TO APUSH (ADVANCED PLACEMENT UNITED STATES HISTORY)

As we prepare for this coming school year, please know that this class will dive into topics head on. To set the tone for the class, our textbook gets right into perspectives on the Conquistadors in the New World. Our understanding of this time period and how to understand multiple perspectives from multiple sources will be crucial.

Your Assignment: Please read chapter one of the attached textbook (digital edition) and take notes. Your notes may be in any style you choose. Once you have finished this, please respond to the following prompt:

Were the Conquistadors heroes or villains?

Please explain your answer in complete sentences in paragraph form in roughly 250-300 words, but be sure to provide a counter argument.

Any questions, comments, or concerns whatsoever, please email Mr. Cannon at dcannon@nssk12.org

See you all soon!!
