

## SAT TEST PREP

### One Question a Day, Zero Excuses

Make practice part of your routine — any place, any time. Answer a question a day on the Daily Practice for the New SAT app and get immediate feedback. The free app makes it easy to:

- Answer an exclusive, official reading, writing and language, or math question.
- Reveal a hint if you're stuck.
- Read answer explanations and learn from your mistakes.
- Keep at it — daily practice can only sharpen your skills.

### SAT Practice Tests

Take up to four SATs to simulate the test day experience. After you've finished, score your test using your phone and the free mobile app, [Daily Practice for the New SAT](#), or print the resources below to score by hand.

### Instant Practice Test Scoring

Simulate test day and take the SAT or PSAT 10 on paper. Then — for the first time ever — take a picture of your answer sheet and get an instant score.

Here's how Scan and Score works:

1. Take a complete **SAT practice test** or **PSAT 10 practice test**, using the official answer sheet to bubble in your answers.
2. Open Daily Practice and activate your phone's camera.
3. Keeping the app open, scan your answer sheet with your phone's camera.

And there it is in seconds: your score. Scores are saved so you can track your progress.
