STUDENTS: DESIGN OUR NEW BANNERS!

The Town of Narragansett and Narragansett Middle and High School has launched a contest asking students to help design the newest banners for the town. Two student designs will be chosen to adorn the streets of Narragansett for the next installment.

HISTORY OF THE NARRAGANSETT BANNERS

The Banner Program began in 2010 as a way to welcome visitors into our beautiful town and to help advertise for local businesses. The Town Council organized a committee to develop our first two styles of banners. In the years after, the Department of Public Works took over design and created the 125th Anniversary banners and our current banners in collaboration with the late Pam Nolan, who served as the Town Manager.

This year, we want to continue honoring our town beauty by creating brand new banner designs with the help of our High School students, who are true representatives of our rich history and future.

CONTEST GUIDELINES

- Existing artwork or trademarked images are not permitted
- Only one submission/rendering per student will be accepted
- Submissions will be accepted digitally by using [this submission form](#)
- Designs will become the sole property of The Town of Narragansett as outlined below:

**The winning design(s) becomes the sole intellectual property of the town of Narragansett and can be used for any purpose the town determines are standard usages. The winning design(s) may also be altered by the town or a professional graphics designer selected by the town to render it in a format and style appropriate for its use.*

TIPS TO KEEP IN MIND

- We're looking for images that help describe the town's beauty, history, landmarks, and personality
 - Feel free to use text alongside images such as a welcome or greeting. (*i.e. Shop, Dine, Stay*)
 - Silhouette images will work best for printing and visibility
 - Do not use small details that will be lost in screen printing process
 - Choose colors for the banner and images to make your design stand out.
-

WINNING DESIGN

The town will select five (5) finalists, whose designs will be voted upon by the student body on social media. The two (2) final designs chosen will be made into banners and installed. They will each hang consecutively along the route outlined in map included in this packet.

The image shows a large, empty rectangular frame intended for artwork submission. The frame is defined by a double-line border. At the top and bottom edges, there are horizontal lines. Small circular registration marks are located at the top-left and bottom-left corners of the inner frame. Along the bottom edge of the entire page, there are four more registration marks, one in each quadrant.

EVOLUTION OF NARRAGANSETT BANNERS

Below is an evolution of the previous banners on display. New designs and color schemes will replace the top portion, followed by different business sponsor sections below.

2010-2013

2013-2015

2015-2019

First Student Contest Installment 2019-2021

Winning Submission → Final Design

Shannon McNeiece, NHS Class of '18

Winning Submission → Final Design

Christina McPhillips, NHS Class of '19

BANNER DESIGN EXAMPLE

Below is an example of banners on display. New designs and color schemes will take the place of the top portion, above the business mention section.

Your design and text here

Various businesses will be displayed on lower portion
