

NATIONAL HONOR SOCIETY

The Mariner Chapter of the National Honor Society is an affiliate of the National Honor Society through Narragansett High School's membership in the National Association of Secondary School Principals.

The first step toward becoming an honor society member is that a student must achieve a minimum cumulative average of 3.4 using an unweighted average over the first two years at the high school. Having attained this average does not mean that the student is automatically a member. The honor society member must meet and maintain four pillars; the scholarship is just one. It is, however, the one that earns the student the initial invitation. The other pillars are service, leadership, and character.

In the fall of the school year, junior and senior students who meet the academic requirement for membership are informed in writing.

The expectation is that incoming juniors accumulate thirty (30) documented hours of service after their acceptance into the society and thirty (30) for the senior year for a total of sixty (60) documented hours over the two years. Incoming seniors must present thirty (30) documented hours once they have been accepted for membership. The further expectations are that the student continues to attend monthly membership meetings, participate in service projects, maintain the required academic average, perform in leadership roles, and experience no character infractions all the while being a stellar role model in the school and community.

New members will be assigned mentors, and the formal induction will be held in the spring of the school year. Please visit the society's Schoology page for more information.
